TSHOLOFELO KUMALO

Summary

I am skilled in Python and Java, HTML, CSS, AWS, Django and MySQL. I have built some awesome projects with the skills I've gained so far. I love learning and gaining new skills, so I'm constantly looking for any opportunity to upskill and upgrade myself. I'm currently working on an inhouse project in which I am learning Reactjs, Django Rest Framework and studying for my next AWS Certification (AWS Solutions Architect)
